Meet the students who have recently come to Deer Creek for the Christian Leadership Training Program! Reason for coming to Deer Creek: "To get to know the Lord better and grow spiritually."

If I could do anything: "I'd be an NFL linebacker."

Prayer Requests: "Strength, an increase in learning, positive attitude, a decrease in back pain, becoming more godly, being able to understand what I read better and to get a better grasp of English."

Name: Lamar **Nickname:** Lup **Age:** 18

Hometown: Watts, CA

Interesting fact: Karate black belt

Reason for coming to Deer Creek: "To get a better relationship with God and be able to better share my testimony with people in the projects."

Favorite activity: Martial arts

Prayer Request: "Better focus, an increase of knowledge and to be able to better understand what I read."

Each of these young men has long-term goals of returning to serve in his community. Thank you for your prayers for these young men and for the staff. Pray that we would be able to trust each other and be a constant source of godly encouragement to one another. Also, pray for wisdom, patience and endurance for the staff.

Another prayer request: the brother of Darail and Lamar also came out for the program, but has since returned home. Please pray that he would be sensitive to the Spirit's leading in his life.

In Him,
Jackie for the Deer Creek staff
